DON'T FORGET! THE NEXT SPORTS AND SHORTS IS ON SATURDAY 12th MAY 2001 AND FRIENDLIES IS ON FRIDAY 4th MAY 2001

NINE WAS SO FINE!

Well, It HAD been a long time since the last SPORTS AND SHORTS night, three months to be exact, but even we were surprised by how packed The Stag was for our 9th outing on March 10th. There was barely room to move as hoards of horny lads in footie, rugby, swimming and wrestling kit squeezed into the Victoria pub. But no-one was complaining as the rather 'intimate' atmosphere became a bit of a grope-fest :-)

It was good to see more sports other than Football being popular this time. Rugby was very popular this time. And we had the first "Obscure Sport Kit" prize, which is basically open to anyone who comes in anything other than footie or rugger. This time was won by one of our wrestling chums.

GET FRIENDLY

We've had a lot of e-mails from lads who really wanna get into the sports kit scene but are a bit, you know, nervous to jump in at the deep end and go to a pub they've never been to before, to meet loads of people they don't know, in full-on kit. Let's face it, we've all been there.

FRIENDLIES!
THE FIXTURE THAT'S FOR YOU

So at the ever-caring Sports and Shorts we've launched FRIENDLIES. A new night, off the main scene, where you can wear anything you like and get to know other lads just like you without all the stress. It's on the weekend before the big main S&S event, so you can ease yourself
